

The Avenger girl reveals her new image PASSIONATE PURDEY

IT'S curtain-up on a revealing change of style for Purdey, of *The New Avengers*.

The cutie with the karate kick is looking for a different kind of action... in the bedroom.

Purdey, played by Joanna Lumley, casts off her inhibitions in the show's new series.

Lover

She takes a lover and unveils the passionate side of her nature.

The TV show's creator, Brian Clemens, explained: "I thought it was time that Purdey was shown to be vulnerable."

The result could well be a boost for the show's ratings. After all, Joanna obviously has a beautiful way of turning people on.

CASTING OFF: The new, uninhibited Purdey.

SETTLING IN: A bedroom scene for the New Avenger who changes her style and takes a lover.
