Purdey shows a leg

☆ **ACTRESS** Joanna Lumley looks set to start a lone Avenger campaign to bring back the mini-skirt. In her role of the karate-kicking Purdey in the latest series of the **NEW AVENGERS** she has an

assortment of minis like the one above and she wears the same length on and off screen. "But Joanna doesn't like the mini-mini," says producer Brian Clemens. "She likes to show a leg, but not her knickers."
